has been granted to an evacuee. A lump sum was paid
 at its disposal of the D.C. Block and only the advances
 were given to other evacuees. Also for personal needs.

No regular scheme of
 financial assistance to evacuees
 has been sanctioned. In the initial
 stages, the problem was confined to
 grant of advances pending their
 evacuees securing some means of
 living. It is now two years
 since the evacuees came to India -
 it was not to him when received
 some source of livelihood by now
 it is apparently the utmost that he
 could do was to do costly work. But
 can not do the job as intended to
 supplement his income by any
 advance. He should be content
 with what he has been capable
 of earning. The D.C. may try
 to get him a menial job in
 any office under him if the
 evacuee can settle on land

I, the undersigned D. Abdul Azeed, resident of Bellur Grama
Maganakala Taluk, (a Burma Evacuee) most humbly, but to bring

Although I am a Born Mysorean I went in search of

my home.

Due to the war I was with very great difficulty
managed to come over to India leaving all the property which
I had earned there in Rangoon and it is $1\frac{1}{2}$ years since I
arrived in Bellur. My family consists of 7 Members and it is
very difficult to maintain them in these days of rationing of
foodstuffs and also of high prices of daily necessities of
life.

With what little earnings allowed by the Government
I managed with very great difficulty till now and it is
impossible to manage any further since all that had with me
